### Brief description

This urban plot is located in the center of Benijófar, Alicante, offering a built area allowance of 400 m<sup>2</sup> on a 400 m<sup>2</sup> plot. Positioned within a well-established neighborhood, the plot provides countryside views that add a sense of openness despite its central location.

The land is fenced and accessible directly from the street, making it ready for construction. The plot's size and zoning allow for the development of one or two homes, giving flexibility for various building projects.
