Brief description

This commercial property in Torrevieja offers a built area of 100 m² with two distinct commercial spaces and two bathrooms, providing a versatile layout suitable for various business uses. Positioned in the Comunidad Valenciana region of Alicante, it benefits from sea views that enhance the appeal for customers and clients alike.

The premises include a balcony and a terrace, extending the usable area and offering outdoor space that can be utilized for seating or display, contributing to a welcoming atmosphere. The current setup supports high rental potential, making it a practical investment for those looking to operate or lease a commercial venue.
