Brief description

This 3,000 m² plot in Javea offers a rare opportunity to build in a sought-after area of the Costa Blanca, Alicante. Positioned on the edge of the Ambolo pine forest, the land benefits from a natural backdrop while being just a short distance from the sea.

The location combines peaceful surroundings with practical access to local amenities. The plot provides ample space for a substantial villa or the possibility to divide into smaller parcels, subject to planning permissions.

The information in this brochure is indicative and subject to availability, documentary confirmation, physical viewing and verification of price, surfaces, condition, taxes and costs before any reservation or contract.
