Brief description

This newly constructed villa in La Fustera on the Costa Blanca offers a single-level layout designed for practical living and comfort. With three bedrooms and two bathrooms, including an ensuite, the home provides built-in wardrobes and air conditioning with both heating and cooling functions, ensuring year-round comfort.

Additional amenities include an entry phone system and a safe, enhancing everyday convenience and security. Located close to shops and with views of the surrounding mountains, this property combines accessibility with a peaceful setting.
