### Brief description

This recently renovated townhouse in the heart of Daya Vieja offers a practical and comfortable living space within a compact 101 m<sup>2</sup> built area. Featuring three bedrooms and two bathrooms, the home is designed for everyday ease with modern finishes and functional layout.

The ground floor includes a bright living area with natural light, an independent kitchen with ample storage, and a guest toilet, complemented by a secure entrance door and air conditioning for year-round comfort. Upstairs, the bedrooms provide privacy and flexibility, including a dedicated home office space to accommodate remote work or study.
