### Brief description

This sizeable plot of 3,592 m<sup>2</sup> is located in La Herrada, a quiet zone within Los Montesinos, Alicante. It offers a substantial space suitable for development, with an existing urban planning agreement that permits construction, including the potential to build a residential urbanization.

The land is flat and cleared, bordered by paved streets with sidewalks, providing straightforward access and good visibility from the corner position. The plot is fenced, which adds a level of security and defines the boundaries clearly.
