### Brief description

This three-bedroom apartment in La Zenia offers a recently renovated living space of 92 square meters with a south-facing orientation that maximizes natural light throughout the day. Situated on the sixth floor of a gated complex, the home features two bathrooms and a fully fitted kitchen designed for practical daily use.

Optional furniture adds flexibility for buyers seeking a turnkey option. The apartment includes a 15-square-meter covered terrace providing direct views of the beach and sea, extending the living area outdoors for dining or relaxation.
