Brief description

This newly built villa in Moraira offers a spacious single-level layout with four bedrooms and four bathrooms, designed to provide comfortable and practical living on the Costa Blanca. The property features a generous built area of 310 m², including a kitchen-lounge that integrates cooking and living spaces, enhancing daily convenience and social interaction.

Each bedroom includes built-in wardrobes, and the master suite benefits from an ensuite bathroom for added privacy. The home is equipped with air conditioning for both heating and cooling, as well as fiber internet and domotics for modern comfort and connectivity.
