Brief description

This newly built apartment in Santa Pola offers a practical and comfortable living space within a secure gated community on the Costa Blanca. The fully fitted kitchen integrates seamlessly with the living area, benefiting from natural light due to the apartment's south-facing orientation.

Residents have access to communal gardens and a swimming pool, including a dedicated children's pool and play area, supporting family-friendly outdoor activities. Underground parking and lift access add to the convenience, while double glazing and air conditioning contribute to comfort year-round.
