### Brief description

This 196-square-metre plot is located in the town of Benijofar, Alicante, offering a practical opportunity to build a home tailored to your needs. The plot size provides enough space for a comfortable residential property with outdoor areas, allowing for a garden, terrace, or private pool if desired.

Situated within the established area of Benijofar, the plot benefits from local amenities and community infrastructure, making it suitable for those seeking a balance between quiet residential living and access to nearby services. The town's location in Alicante province ensures good connectivity to surrounding towns and the coast.

The information in this brochure is indicative and subject to availability, documentary confirmation, physical viewing and verification of price, surfaces, condition, taxes and costs before any reservation or contract.
