Brief description

This one-bedroom townhouse is located in La Marina, within the San Fulgencio area of Alicante. Offering a built area of 54 square meters, the property features two bathrooms, providing convenience and privacy.

The equipped kitchen supports practical daily living, while the living spaces benefit from natural light and a balcony that extends the indoor area. Outdoors, the home includes a private garden and a terrace, both suitable for enjoying the Mediterranean climate.

The information in this brochure is indicative and subject to availability, documentary confirmation, physical viewing and verification of price, surfaces, condition, taxes and costs before any reservation or contract.
