Brief description

Located in the center of San Fulgencio, Alicante, this spacious townhouse offers a built area of 170 square meters across a compact 5 square meter plot. The property features four bedrooms and two bathrooms, providing ample accommodation for a family or those needing extra space for guests or work.

The layout includes well-proportioned rooms that benefit from natural light, contributing to a comfortable living environment. The practical design supports everyday living with enough space for dining and relaxation.
