Brief description

This new-build villa in Jumilla Centro offers two bedrooms and two bathrooms within a built area of 104 m², set on a 27.81 m² plot. The property features a fully fitted kitchen and is delivered in new construction condition, designed for modern living with pre-installed air conditioning and an eco-friendly solar panel system.

The layout includes well-finished living spaces that connect smoothly to the outdoors, where a private swimming pool and garden area provide views over the pool and landscaped surroundings. The outdoor space includes a porch ideal for enjoying the quiet atmosphere.
